## Official forms of Communication from school

As a school we are working hard to increase our methods of communication in order that you are fully informed. School letters for trips, events or specific information are written on headed notepaper. Photos of letters are tweeted by Mrs McBride and Mrs Young and are put onto our website on the Parent Letters Page or department specific pages. We send out Newsletters monthly, these have relevant dates and news items. Also we use our text system to inform about injuries, request for calls to school, arrears, or any pertinent information. Staff regularly Tweet for you to share aspects of learning or to celebrate learning from their classes. Please use these as your first port of call when looking for school communication.
